RE: Thanks for the quality job

Dear John,

I want to thank you for accepting our project.

Your company was very professional to work with and the project was completed to my total satisfaction.

The Project Manager, Wayne Anderson, was an exceptional manager with an acute eye for quality detail and a very analytical mind for problem solving.

I also enjoyed working with Chad Justice and I thought Randy Crace from S&S Engineers did a fantastic job.

Again, thanks for a job well done.

Sincerely,
